Dear Sirs,

Herewith we'd like to inform you that since 2009 ZAO GMZ Himmash cooperates with POLYSOUDE S.A.S. for job on subject: «Special welding equipment complex for repair of welded joints №23» and «Development and application of mechanized repair technology and special equipment complex for the recovery (circular) repair of welded joints of heat carrier collector with the branch pipe Dn1200 of steam generators WSG-1000 at NPP with WWER-1000 (zone of welds №111 and №77) ». Current sources PC600 and welding heads type POLYCAR MP are applied within the frames of these projects.

POLYSOUDE equipment proved its reliability and ability to perform complex tasks. POLYSOUDE staff showed their competence, motivation and ability to implement the complicated technical projects.

In the nearest future ZAO GMZ Himmash is going to implement a number of complicated projects based on POLYSOUDE S.A.S. equipment.

Best regards,

Director General  
Makhmudov M.M.
